

Sound LAB®

A012A Pillow Speaker

Place the A012A beneath a pillow, and plug the 3.5 mm jack to the earphone output of a transistor radio. Ensure that the cable is routed safely. The A012A can also be used with cassette, CD or MP3 players or mobile telephones with stereo outputs, but the sound will only be monophonic.

DISPOSAL AND RECYCLING

You must not dispose of this appliance with domestic household waste.

Most local authorities have specific collection system for appliances and disposal is free of charge to the end-user.

When replacing an existing appliance with a similar new appliance your retailer may take the old appliance for disposal.
