

iQ8-WB

Steel Wall Bracket for
iQ8 Loudspeakers

- Steel wall bracket for iQ8 loudspeakers
- Mounts 1 speaker horizontally or vertically to a wall
- Adjustable angle for optimum audience coverage
- Hard wearing semi matt black powder coat finish
- 3-Year Warranty Program*
- Designed and engineered in England

The iQ8-WB is a matt black, powder coated wall bracket specifically designed to hang the iQ8 in standalone applications, such as wall or ceiling mounting in bars or clubs, or as an under-balcony fill. The iQ8-WB consists of two yoke spacers and brackets, plus all the fasteners required for assembly. After the iQ8 is securely mounted and adjusted for the desired coverage, the screws attaching the enclosure to the bracket should be fully tightened to finalise the installation.
