

TS-PC8-1

Deluxe Water Resistant Protective Cover for 8" Loudspeakers, including iQ8

- Deluxe water resistant protective cover for 8" loudspeakers
- Rugged black multi-layer nylon outer material prevents ingress of dirt and dust
- Thick interior foam padding provides superior protection in transit
- Openings in cover allow access to built-in cabinet handles
- Ideal for Turbosound iQ8 and other 8" loudspeakers
- Maximum speaker size: 460 x 280 x 280 mm (18.0 x 11.0 x 11.0")
- 3-Year Warranty Program*
- Designed and engineered in England

Your **iQ8** loudspeaker is a finely-crafted audio instrument that deserves the highest degree of protection, so we designed the perfect solution – the TS-PC8-1 deluxe cover. Made of super-tough black nylon, the TS-PC8-1 is a “must-have” accessory for your **Turbosound** 8" loudspeaker.

Protection Against the Elements

Much more than just an attractive coverup, the TS-PC8-1 is constructed of multiple layers of rugged nylon fabric to keep water, dust and dirt from affecting your loudspeaker investment. The TS-PC8-1 protects your enclosure during transit to and from the gig – and if the gig or session runs for more than one night, putting the cover back on will protect it from inadvertent spills or other unintentional mishaps.

Cover for 8" Loudspeakers, including iQ8

Made to Travel

A thick layer of interior foam padding provides superior protection from overly-zealous road crews, and the occasional bang and ding the road can dish out. And because the TS-PC8-1 is designed to fit perfectly and protect your speaker cabinet, custom-sized openings are provided for convenient carry handle access.

Value

The super-tough, black nylon TS-PC8-1 fits your [Turbosound](#) loudspeaker like a glove, and protects your investment in tone from the dirt, dust and rain – and is an amazingly-affordable way to keep your gear looking great for years.

You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own [MUSIC Group](#) factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world. As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous [3-Year Warranty program](#).
