Luxform Lighting Natal Solar Wall Light in Black

This light is suitable for mounting next to front or back doors and near sheds, garages and carports etc. as functional lighting. This light features a PIR day/night sensor which means that the light will be switched on and off after a fixed period of time, the product also has an on/off switch. This high lumen solar light has a higher number of lumens relative to a normal solar light. These lights are manufactured in UV resistant plastic.

Features:

- Garden Solar Wall Light
- With PIR Day/Night Sensor
- Higher Number of Lumens Relative to a Normal Solar Light
