Luxform Lighting Princeton Solar Garden Spike in Black Pearl

This spike light is suitable for the illumination of walkways and darkened areas at night, it is ideal for marking along driveways, garden paths, terraces and porches. This light features a dusk/dawn sensor which ensures the light is switched on at dusk and will be automatically shut off at dawn. This light features a ground spike so that the light can be easily placed into soil. This High Lumen Solar light has a higher number of lumens relative to a normal solar light. Please remember that stainless steel is not a maintenance free product and that you need to clean the lights every 6 months to prevent discolouration.

Features:

- Solar Garden Spike Light
- Higher Number of Lumens Relative to a Normal Solar Light
- Finished in Black Pearl
- Supplied with a Ground Spike

PRODUCT SPECIFICATIONS

Depth (mm).....	150
Height (mm).....	456
Width (mm).....	150
Product Dimensions (mm).....	456x150x150
Net weight (kg).....	0.438
Colour Rendering Index.....	Warm White
Lumen Output.....	10
Batteries.....	1x Li-ion AA 400 mAh 3,2VV
LED Type.....	Softtone
Material.....	Stainless Steel, Glass
IP Rating.....	44
Item Priced Per.....	1
