Luxform Lighting La Rochelle Solar Spot Light in Black

This spot light is suitable for illuminating statues, water features, bushes and trees. This light features an on/off switch and is supplied with a ground spike so that the light can be easily placed into soil. This high lumen solar light has a higher number of lumens relative to a normal solar light. These lights are manufactured in UV resistant plastic.

Features:

- Solar Garden Spot Light
- Higher Number of Lumens Relative to a Normal Solar Light
- Finished in Black
- Supplied with a Ground Spike
