Luxform Lighting Bourke Deck Light in Stainless Steel

These 12v deck lights are perfect for building into decking, paving, walkways or steps, they will mark along driveways, garden paths, terraces and porches. Create your own individual garden lighting plan. Connection is simple thanks to the Luxform 12V Easy Twist and Connect System, making them safe for children and animals. Everyone can create an atmospheric garden using these attractive lights. Please remember that stainless steel is not a maintenance free product and that you need to clean the lights every 6 months to prevent discolouration.

Features:

- Build Into Decking and Paving etc.
- 'Easy Twist' 12V connection system
- Finished in Stainless Steel
