Luxform Lighting Australia Spotlight in Stainless Steel

This 12v spot light is suitable for illuminating statues, water features, bushes and trees. The light is supplied with a ground spike so that it can be easily placed into soil. This single light can be used to create your own individual lighting plan. This light works on the flexible Luxform 'Easy Twist' 12V connection system, which is safe for children and animals. Everyone can create an atmospheric garden using these simple lights. Please remember that stainless steel is not a maintenance free product and that you need to clean the lights every 6 months to prevent discolouration.

Features:

- 12v Garden Spot Light
- Supplied with a Ground Spike
- Finished in Stainless Steel
