Luxform Lighting Bundaberg Post Light in Gravel

This post light is perfect for marking along driveways, garden paths, terraces and porches. This single light can be used to create your own individual lighting plan. This light works on the flexible Luxform 'Easy Twist' 12V connection system, which is safe for children and animals. Everyone can create an atmospheric garden using these simple lights. The light is made from Polyresin which is a combination of natural stone and resin, this mixture creates a surface that is resistant both to weather and algae growth.
