## Luxform Lighting York Deck Light in Stainless Steel - Set of 2

These 12v spotlights are suitable for illuminating statues, water features, bushes and trees. Ground spikes are provided so that the lights can be placed into the soil. This complete set contains 2 lights, a 10 metre mains cable, cable connectors and a 10w transformer suitable for the number of lights included. This set cannot be extended. This light works on the flexible Luxform 'Easy Twist' 12V connection system, which is safe for children and animals. Everyone can create an atmospheric garden using these simple lights. Please remember that stainless steel is not a maintenance free product and that you need to clean the lights every 6 months to prevent discolouration

### Features:

- Build Into Decking and Paving etc.
- 'Easy Twist' 12V connection system
- Finished in Stainless Steel
