Luxform Lighting Nantes Starter Kit Garden Spikes in Stainless Steel - 3 Pack

These garden spike lights are suitable for atmospheric illuminating of walkways and darkened areas at night it will mark along driveways, garden paths, terraces and porches. These lights are supplied with a ground spike so that the light can be easily placed into soil. This starter kit contains 3 lights, a 10 metre mains cable, cable connectors and a 6w transformer with extra capacity onto which you can add extra lights. This light works on the flexible Luxform 'Easy Twist' 12V connection system, which is safe for children and animals. Everyone can create an atmospheric garden with this garden spike starter kit. Please remember that stainless steel is not a maintenance free product and that you need to clean the lights every 6 months to prevent discolouration.
