Luxform Lighting Trier Post Light in Stainless Steel

This post light is suitable for marking along driveways, garden paths, terraces and porches. This light works on 240V. Before installing this product, always make sure you turn off the electricity using the main switch! Please remember that stainless steel is not a maintenance free product and that you need to clean the lights every 6 months to prevent discolouration.

Features:

- 230v Garden Post Light
- Supplied in Stainless Steel
