## Luxform Lighting Québec 230v Angled Wall Light in Stainless Steel

This light is suitable for mounting next to front or back doors and near sheds, garages and carports as functional lighting. This light works on 240V. Before installing this product, always make sure you turn off the electricity using the main switch! Please remember that stainless steel is not a maintenance free product and that you need to clean the lights every 6 months to prevent discolouration. Please note that the bulb is not included.

### Features:

- 230v Garden Wall Light
- Finished in Stainless Steel
