## Luxform Lighting Atlanta 230V Angled Wall Light in Stainless Steel

This solar wall light is suitable for mounting next to front or back doors and near to sheds, garages and carports etc. as a functional light. This light works on 240V. Before installing this product, always make sure you turn off the electricity using the mains switch! Please remember that stainless steel is not a maintenance free product and that you need to clean the lights every 6 months to prevent discolouration. Please note that a bulb is not included.

### Features:

- 230v Angled Garden Wall Light
- Finished in Stainless Steel
