Luxform Lighting Orlando 230v Wall Light up in Black with PIR Sensor

This wall light is suitable for mounting next to front or back doors and near to sheds, garages and carports etc. as a functional light. This light features a PIR sensor with standby mode, allowing the light to illuminate when movement is detected. This light works on 240V. Before installing this product, always make sure you turn off the electricity using the mains switch! The high quality aluminium powder coated lights will last for many years. Please note that a bulb is not supplied.

Features:

- 230v Garden Wall Light
- Finished in Black
- With PIR Sensor
