Luxform Lighting Solar Tumbler Table Lights in Green, Blue and Pink - Display 12 Pack

These solar lights are suitable for placing on garden tables and provide gentle ambient light. The lights are supplied with an on/off switch and a dusk/dawn sensor which ensures the lights switch on at dusk and automatically shut off at dawn. These ecologically friendly solar lights require no household current but gather their energy directly from the sun. They are therefore particularly suitable for use in remote areas and provide sufficient light to mark entrances and accent walkways and steps. Manufactured in UV resistant plastic.

Features:

- Solar Garden Table Lights
- Dusk / Dawn Sensor
- Supplied in a Display Box of 12
- 4 x Green, 4x Blue, 4x Pink
