## Luxform Lighting Solar Tuscany Garden Spike Light - Display Box of 12

This solar spike light is suitable for atmospheric illuminating of walkways and darkened areas at night, it will mark along driveways and garden paths, terraces and porches. A ground spike is provided so that the light can be placed into the soil. Featuring softtone and colour changing RGB-LED. This ecologically friendly solar light requires no household current but gathers energy directly from the sun. It is therefore particularly suitable for use in remote areas and provides sufficient light to mark entrances and accent walkways and steps. Please remember that stainless steel is not a maintenance free product and that you need to clean the lights every 6 months to prevent discolouration.

**Features:**

- Solar Garden Spike Light
- Display Box of 12
- Supplied in Stainless Steel

**PRODUCT SPECIFICATIONS**

Depth (mm).....	74
Height (mm).....	350
