## Luxform Lighting Solar Fuego Garden Spike Light - Display Box of 24

These solar spike lights are suitable for atmospheric illuminating of walkways and darkened areas at night, they will mark along driveways and garden paths, terraces and porches. Ground spikes are provided so that the lights can be placed into the soil. Featuring softtone and colour changing RGB-LED. These ecologically friendly solar lights require no household current but gathers energy directly from the sun. It is therefore particularly suitable for use in remote areas and provides sufficient light to mark entrances and accent walkways and steps. Please remember that stainless steel is not a maintenance free product and that you need to clean the lights every 6 months to prevent discolouration.
