Luxform Lighting Solar Stick Light - Display Pack of 12

This solar stick light is suitable for atmospheric illuminating of walkways and darkened areas at night, it will mark along driveways and garden paths, terraces and porches. This light features an on/off switch and a dusk/dawn sensor which ensures the light switches on at dusk and automatically shuts off at dawn. A ground spike is provided so that the light can be placed into the soil. This ecologically friendly solar light requires no household current but gathers energy directly from the sun. It is therefore particularly suitable for use in remote areas and provides sufficient light to mark entrances and accent walkways and steps.

LUXFORM
LIGHTING

Features:

- Solar Garden Spike Light
- Display Pack of 12

PRODUCT SPECIFICATIONS

Depth (mm)	105
Height (mm)	960
Width (mm)	58
Product Dimensions (mm)	960x58x105
Net Weight (kg)	0.106
Batteries	1x Li-ion AA 300 mAh 3.2V
Colour Rendering Index	Extra Warm White
LED Type	1x Yellow
Material	Metal, Plastic
IP Rating	44
Item Priced Per	12

Product Code: LF0814

Barcode: 8719099411797
