

GH100/GH101/GH102/GH103 Wooden Lap Tray with Cushion

Fixing and Maintenance Instructions

INTRODUCTION

Thank you for deciding to purchase this lap tray from Sutton Home & Garden. When used correctly it is designed to give many years of reliable, trouble-free service.

SAFETY

Do not allow children to play with this item. The cushion contains small foam beads which can be a potential choking hazard.

BEFORE USE

- Carefully remove all packaging. Avoid using any knives or other sharp instruments as this may damage the surface of the product.
- Check the product for any visible damage. If you see any damage or suspect a fault, do not use your product, but contact your supplier for support.

INTENDED USE

This lap tray makes breakfast in bed, reading, writing and crafts easy and comfortable. The lap tray has a built-in cushion below the tray top and will rest comfortably on your legs while you lie or sit.

CLEANING

To clean your lap tray wipe it with a damp cloth, using a mild detergent as necessary. Always allow to dry thoroughly after washing and store in a dry place.

Do not immerse in water

REISSUE

If you reissue or are about to reissue this product, please thoroughly check all components for their safety.

If in any doubt, please do not issue or use, but immediately contact your supplier for service support.

CARE & MAINTENANCE

Please make a safety check of the product at regular intervals or if you have any concerns.

SERVICE WARRANTY

Electrovision guarantees the product free from defects in materials and workmanship for a period of one year.

Should this unit be operated under conditions other than those recommended, at voltages other than the voltage indicated on the unit, or any attempts made to service or modify the unit, then the warranty will be rendered void.

The product you buy may sometimes differ slightly from illustrations. This warranty is in addition to, and does not affect, your statutory rights.
