Deluxe Fold Flat Rollator (White)

The Deluxe Aidapt Lightweight, Aluminium Four Wheeled Rollator has a very modern and stylish design with many great features. One of the best features of this rollator is the fact that it folds completely flat, this makes it ideal not only for storage but also transportation. With a strong aluminium frame, the lightweight rollator is durable enough for daily use. With anatomically-designed handgrips, arthritic friendly loop cable brakes and height adjustable handles, the Aidapt Lightweight Rollator is suitable for the elderly, infirm or less able users with little grip power. This four-wheeled rollator also features an integral canvas seat, padded backrest and an integral walking stick holder. A handy, detachable shopping bag is included for storing small items.

Features:

- Folds fully flat easily
- Great for transporting in a car or on a flight
- Integral seat and shopping bag
- Height adjustable
- Aluminium framework
