Scooter Full Weather Protection Cover

This scooter weather cover encapsulates the scooter providing a totally dry environment for you and the controls. The snug fitting pack-away hood ensures that your only exposed part has maximum protection. Providing a dry and safe environment, the tailored front allows the cover to be used with either 3 or 4 - wheeled scooters, and the clear front improves your safety by allowing your lights and indicators to be seen whilst being protected. The back panel goes over the back of the scooter protecting anything in your Back Sack.

Features:

- Totally dry environment for you and your scooter controls
- Use with either 3 or 4 - wheeled scooters
- Clear front panel allows your lights and indicators to be seen
