## Crutch Bag

The Crutch Bag has been designed to provide general scooter or wheelchair storage and also carry two walking sticks or crutches in the specially-shaped inner pockets. This sturdy Crutch Bag fits to the rear of most makes and models of wheelchairs and mobility scooters using secure, adjustable straps and webbing hanging loops. With a roomy main storage section and a large outer pocket with 'hook and loop tape' fastening, the Crutch Bag has a reflective strip for extra visibility.

### Features:

- Enables wheelchair users and carers to safely carry more
- Fits standard wheelchairs and mobility scooters
- Reflective strip for extra visibility on the road
