## Lightweight Suitcase Ramp. 910mm (3')

This durable, portable, Lightweight Suitcase Ramp is ideal for providing access to houses and cars for wheelchairs, scooters, walkers and rollators. The folding, suitcase type ramp is constructed from lightweight, rust-free aluminium and has milled safety treads on the surface, raised side walls and security locks, making the unit extremely portable and convenient to store. With stainless steel fittings and a sturdy carry handle, the ramp has a load capacity of 272kg (42 stone). The Lightweight Suitcase Ramp is available in 3 lengths.

### Features:

- Provides access to cars and buildings for wheelchair and scooter users
- Suitable for the majority of wheelchairs and scooters
- Milled tread on ramp surface for all-weather safety
- Extremely easy to use and transport
- Lightweight robust construction
