Dartford Height Adjustable Shower Chair

The Dartford Shower Chair is a free-standing, height adjustable shower chair with the added benefit of a front cutaway to assist personal bathing. The design of the shower chair enables the seat to fit comfortably in most shower enclosures and be easily removed for multiple use of the shower area. Drainage outlets conform to current MHRA guidelines.

Features:

- Easy to install and remove, tubular steel frame with tough polymer finish
- Height adjustable via simple push in/pullout horseshoe clips
- Easy to clean clip on/clip off seat, gap fronted to assist personal bathing
- Perforated top for drainage conforms to MHRA guidelines
- 127 kg (20 st) weight limit
