Solo Standard Aluminium Shower Seat

The Solo Standard Shower Seat is a well established Aidapt product; a competitively priced solution without loss of quality or function. The wall fixed shower seat is height adjustable (in 25 mm increments) enabling it to be set at various heights to suit the user's needs, while the shower seat itself can be folded away when not in use. The legs have fine height adjustments to compensate for any variations in the shower tray. The frame of the shower seat has a 25 year warranty and is manufactured from first grade alloy for greater longevity and the injection moulded shower seat can be clipped on and off for easy cleaning.

Backplate Width: 470mm. From left edge to first drill hole: 65mm. From first drill hole to middle drill hole: 170mm. From top drilling hole to bottom drilling hole: 95mm.

Features:

- Ideal solution for those who struggle to stand in the shower area
- Folds up when not in use, with friction folding action
- Wall fixed with adjustable leg support
- Simple to install, clean and maintain
- Clip on, clip off seat with drainage for easy cleaning
- Lightweight aluminium frame with 25 year warranty
- 190 kg (30 stone) weight limit
