T Series Shower Trolley (Fixed Height)

T Series Shower Trolleys allow washing of patients in the supine position. Mobile and easy to manoeuvre, this range of shower trolleys make transferring a user to the bathing area simple. The height adjustment option allows the carer to set the trolley to a convenient height from either side, avoiding the need for stretching or leaning. The T Series Shower Trolleys also boast drop sides and safety catches, plus an easy steer mechanism.

Features:

- Easy steer mechanism
- Hydraulic height adjustment allows the carer to move the trolley up and down
- Convenient drop sides and safety catches
Will comfortably accommodate a large adult
- Smaller top available where space is limited or for children
