Comfort Knight Pillow Raiser

The Comfort Knight Pillow Raiser bed aid enables one person to be safely raised and lowered in comfort, independently of any other occupant of the bed. This sturdy pillow raiser is powered by an extremely quiet actuator and is covered with a purpose made contoured mattress, finished in vinyl. Cotton covers are available. Suitable for use on the majority of beds. Not suitable for use with an adjustable bed.

Features:

- Ideal for people who cannot lie flat in bed
- Super quiet actuator with automatic safety spine
- Easy touch hand control. Neat unobtrusive power box
- Contoured mattress with removable cover for simple cleaning
- Finished in easy clean vinyl. Traversing safety straps as standard for increased stability
- 140 kg (22 stone) weight limit
- Tubular steel frame
