Astral Perching Stool (Arms & Padded Back)

The Astral Perching Stool is the first mass-produced perching stool range to include a unique, seamless polyurethane seat. Developed for comfort and longevity, the contoured lines of both the seat and back are not only attractive to the eye, but also offer excellent ergonomic support. The height adjustable frame has side mounted stress bars and a large footprint for safety and stability. The Astral Perching Stool is available with a range of optional fittings.

Features:

- Ideal for those who struggle to stand for long periods
- Padded wipe clean PU seat for extra comfort
- Height adjusting legs to suit most users
- Large footprint for stability
- Maximum user weight limit 159kg (25 stone)
