Sure Grip Mug with Cap (Small Hole)

This stackable mug features grooves allowing a comfortable grip in the hand and is anti-slip. It is suitable for hot and cold liquids and the virtually spill-proof valve in the lid prevents spillage. Only a small drop escapes before the vacuum seals off the main flow. The Sure Grip Mug has a spout, angled to facilitate easy use. Another feature of this cup is the inclusion of a 100ml and 200ml measure guide on the outside, this comes in useful when volumes of liquid need to be recorded. Microwave and dishwasher safe, available in many colours. Optional extras include a handle for extra stability and a useful straw clip is also available which eliminates the need to hold a straw when drinking. Available in 8 different colours.

Features:

- Supplied with drinking lid with small aperture
- Suitable for both cold and hot drinks
- Dishwasher safe and suitable for washing in an autoclave up to 100°
- Microwave and freezer-safe
- Environmental-friendly PVC-free material

PRODUCT SPECIFICATION

Net weight (kg)	0.067
Packaged dimensions (HxWxL mm)	135x150x65
Display Footprint (mm)	135x150x65
Transport dimensions (mm)	135x150x65
Gross Weight (Packaged) (kg)	0.07
Packaging.....	Bag and Header
Item priced per	1
