Inflatable Foot Cushion

This specially-designed, inflatable cushion helps support the legs for those trying to rest in a seated position. Ideal for use around the home and when travelling. It inflates in seconds and can be rolled up and attached to luggage straps or stored in a handbag when not in use.

Features:

- Supports legs on long journeys
- Can be used around the home or in the office
- Helps reduce stress on legs
- Easy to inflate
- Once deflated easy to store
