Strip of Antibacterial Digital Pads (Pack of 32) (Large)

Soothing Antibacterial Digital Pads on a convenient strip that can be cut down to any size desired. The pads help to relieve pressure and friction from a multitude of conditions such as painful ingrown toenails, hammertoes, corns and toe tips. Suitable for toes or fingers, the caps are lined with medical grade mineral oil that soothingly moisturises and protects the area. Latex free and hypoallergenic. Please note that once cut to size, the pads should be turned inside out to ensure the gel is directly applied to the skin. Sold in quantities of 32 (8 pads per strip x 4 strips).
