### PRODUCT USAGE

1. Before using the mirror mat make sure that the area it is to be stuck to is dry and free of any dirt/grease, otherwise the mirror mat may not adhere properly.
2. Cut the desired size of matting carefully, between the facets, using a pair of scissors.
3. Remove the plastic backing from the back of the mirror mat and place onto the prepared area.
4. Carefully smooth down the mirror mat to make sure it adheres well to the surface. Take care when smoothing the matting as there are sharp corners and edges present.
