

GH651 St. Helens Home and Garden Bird Feeder

Thank you for buying your St. Helens Home and Garden Bird Feeder. We hope it brings you much enjoyment.

Safety

- 1) Periodically check the product for stability and damage. If any is detected, please remediate immediately.
- 2) Do not allow children or animals to play or knock into this product.

Assembly and Installation

Before assembling, please read and follow the instructions below.

- 1) Screw stem to the top part, making sure each part is secure and does not easily loosen
- 2) Insert the leaves/table into the product as indicated in the diagram above. Make sure the parts are securely in place before use.
- 3) Find a solid and stable part of your garden or lawn.
- 4) Push the prongs deep enough into the ground to keep the product upright and stable.
- 5) Periodically check the product for stability and damage.
- 6) For a more permanent installation we would recommend the item is set into concrete and the leaves glued in place.
- 7) **Notes:**

Your product is made from metal and is designed to weather as time goes on to give a distressed/rusty look.
