

## St. Helens Home and Garden GH672 Stand Up Weed Remover Tool

Thank you for buying your St. Helens Home and Garden Stand Up weed Remover Tool. This manual forms part of the product and should be retained with it for future use.

### Safety and Conditions of Use

- 1) Not for use on concrete or other hard surfaces.
- 2) Children must not play or use this tool.
- 3) Sharp edges and points. Always keep these pointed downwards and away from your body. Stab risk.
- 4) Check this product for damage before use. If any is detected do not use and consult your supplier.

### How to Use This product

- 1) Position the tool with the points facing down over the weed.
- 2) Gripping the handle with both hands move the tool down until the tip touches the soil around the weed.
- 3) Place your foot on the bar at the base of the tool and gently press down until the points penetrate the soil and hold the weed firmly in place.
- 4) Gently start to rotate the tool until the weed comes free from the surrounding soil.
- 5) Withdraw the tool from the ground.
- 6) Press down the button/lever on the very top of the tool until the weed is released.

### Maintenance and Storage

- 1) Carefully remove any soil or debris from the product before storage
- 2) The unit can be cleaned with a damp cloth, warm water and a mild detergent.
- 3) Periodically check the product for damage. If any is detected stop using and consult your supplier.
