## **INTRODUCTION**

Thank you for purchasing the Cooling Gel Pad from Aidapt.

## **BEFORE USE**

- Carefully remove all packaging. Avoid using any knives or other sharp instruments as this may damage the surface of the product.
- Check the product for any visible damage. If you see any damage or suspect a fault, do not use your product, but contact your supplier for support.

## **INTENDED USE**

The Cooling Gel Mat is perfect for those hot and uncomfortable nights. It can be placed in the refrigerator for a longer lasting coolness. It creates a cooling and dry sensation, which allows the user to fall asleep in comfort.

## **CLEANING**

Clean your Cooling Gel Pad using a mild detergent with a slightly damp, soft cloth only. Only use a mild detergent or disinfectant; never use an abrasive cleaner. Using abrasive cleaning materials, very hot water or scrubbing the pad may result in damage.

## **CARE & MAINTENANCE**

Please make a safety check of the product at regular intervals or if you have any concerns.

## **REISSUE**

If you reissue or are about to reissue this product, please thoroughly check all components for their safety.

**If in any doubt, please do not issue or use, but immediately contact your supplier for service support.**

## **IMPORTANT INFORMATION**

The information given in this instruction booklet must not be taken as forming part of or establishing any contractual or other commitment by Aidapt Bathrooms Limited, or its agents or its subsidiaries and no warranty or representation concerning the information is given.

Please exercise common sense and do not take any unnecessary risks when using this product; as the user, you must accept liability for safety when using the product.

Please do not hesitate to contact the person who issued this product to you or the manufacturer (detailed below) if you have any queries concerning the assembly/use of your product.
