

User Manual: St Helens Home and Garden - Padded Garden Kneeler (GH346)

Product Purpose

The St Helens Padded Garden Kneeler is designed to provide comfort and support while kneeling during gardening tasks, reducing strain on your knees and joints.

Note: Care must be taken to ensure the kneeler is used properly to avoid injury. Always use the kneeler on stable, level ground to prevent slipping or tipping, which could result in falls or other injuries.

Important Information

- Max User Weight: The maximum user weight is 120 kg. Do not exceed this limit to ensure safety.
- Keep this manual with the product at all times. If the product is transferred, the manual should accompany it.
- Inspect before use: Do not use if damaged; contact your supplier for assistance.
- Domestic use only: Use only as a garden kneeler on level, even ground.
- Ensure stability before use.
- Cleaning: Clean only with a slightly damp cloth and a weak detergent mix. Avoid using harsh chemicals or soaking the product.
