This manual forms part of the product and should be kept with the unit at all times. Should the unit be sold or moved on then the manual must be included. Please read these instructions carefully before use

Change to Before use inspect the product for damage. If any is detected, then do not use and consult your supplier.

- This unit can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the unit in a safe way and understand the hazards involved
- Children shall not play with the unit.
- For Domestic Use Only.
- Periodically check this product for any signs of damage. If any damage is detected stop using it immediately and consult your supplier.
- Do not allow the battery pack to come into direct contact with water or moisture
- There are no user serviceable parts in this product.
- For decorative purposes only
- Do not fix in place using cable clips or similar. This can cause damage to the product
- **Trip hazard:** Make sure the product is placed in a safe place so that it is not a trip hazard

OPERATION

- Open the battery compartment and insert 3 x LR44 Batteries
- Close the battery compartment making sure the rubber seal is correctly in place. This helps to keep moisture out of the battery compartment

MAINTENANCE

- At the end of the season remove all batteries
- Make sure the product is dry and free from dirt and grime.
- Store in a cool dry place away from direct sunlight
- Clean only with a slightly damp cloth
